MEMORANDUM

TO : Mr. Alfred Muller, Vienna
For Zsolt Aradi

Bill Holtzman arrived the other day with the pictures that you had sent along for us. I hope you will tell us what these cost so that we can reimburse you. In making this business like statement, I do not want to suggest that we are not thankful for the trouble you have taken or that we do not appreciate your thoughtfulness in trying to brighten up our apartment.

I am glad to hear that your relations in Munich are satisfactory and hope that your work in that area will soon bear fruit. It is my understanding that Washington is quite interested in the type of contacts you are making there.
